Version 1.0 du 30/09/2011

Ex. 1

A guitar tab for Exercise 1 in 4/4 time. The first four measures show a power chord on the 7th fret (7-7-5), and the last four measures show a power chord on the 10th fret (10-10-8). The strings are labeled T, A, B from top to bottom.

Ex. 2a

A guitar tab for Exercise 2a in 4/4 time. The first four measures show a power chord on the 3rd fret (3-3-1), and the last four measures show a power chord on the 10th fret (10-10-8). The strings are labeled T, A, B from top to bottom.

Ex. 2b

A guitar tab for Exercise 2b in 4/4 time. The first four measures show a power chord on the 3rd fret (3-3-1) with an 'X' on the 4th string in the second and fourth measures. The last four measures show a power chord on the 10th fret (10-10-8) with 'X' marks on the 4th and 5th strings in the second and fourth measures. The strings are labeled T, A, B from top to bottom.

Ex. 3a

A guitar tab for Exercise 3a in 4/4 time. The first four measures show a power chord on the 3rd fret (3-3-1) with a 6th fret note on the 4th string in the second and fourth measures. The last four measures show a power chord on the 8th fret (8-8-6) with a 10th fret note on the 4th string in the second and fourth measures. The strings are labeled T, A, B from top to bottom.

Ex. 3b

A guitar tab for Exercise 3b in 4/4 time. The first four measures show a power chord on the 3rd fret (3-3-1) with an 'X' on the 4th string in the second and fourth measures, and a 6th fret note on the 4th string in the second and fourth measures. The last four measures show a power chord on the 8th fret (8-8-6) with 'X' marks on the 4th and 5th strings in the second and fourth measures, and a 10th fret note on the 4th string in the second and fourth measures. The strings are labeled T, A, B from top to bottom.
